Dear Parent or Guardian,

Thank you for enrolling your child in our **FALL 2023 4&5-year old Smart Soccer Program**. In order to provide your child with the highest quality of instruction, we have partnered our very own coaches with coaches from New England Futsal. All the coaches are highly-skilled, very personable and are committed to educating and developing children by creating a fun and positive learning environment.

The program will be held at Forges Soccer Field # 1 (off Jordan Rd.) on Saturday's starting Saturday, September 9th, and running until Saturday, October 21st, with no class on October 7th (unless used as a make-up). **Please make every effort to have your child at their appropriate field location on time. Late arrivals mean repetition of the activities and takes away from other children's learning experience.** Please check the back of this letter for your child's team and color.

At the first class, everyone should go directly to their color field. Please make an effort to remember your child's team color and instructor. This will make it easier to locate their team in the future. We have also enclosed a diagram of the field so that you always know where your team will be. **In order to make it easier for you to figure out who your child's coach is, the coach will have on the same color shirt as the team your child is on. If your daughter/son is on the red team, their coach will have a red shirt on. We encourage you to put your child in a t-shirt that is the same color as the team they are on. *We do not provide shirts for this age group.***

Remember to dress for the weather; it is often windy on the soccer fields and we do play in mist/light rain. Children may wear shin guards and cleats, but they are not required. Bug spray and sunscreen are also a good idea depending on weather conditions.

Thank you,
